Re: Dues and Annual Membership Drive

It is time to renew your commitment to the Alumnae Association.

In order to guarantee that you will receive all of the mailings and reduced rates for Alumnae events and materials you need to renew or join the association today.

Membership gives you the **Record**, reduced rates for continuing education programs, eligibility for loans and scholarships and other discounts on MGHNAA materials. It is also a way to support your association and communicate with your classmates and other graduates of the school. The association needs your support in the form of dues to have an operating budget to pay for all of these things.

Please fill in the form below and send it in today with your check for US\$ 30.00 to cover dues and if you have not responded to the fund drive, please send in any additional donation to the Annual Fund Drive. Thank you for your consideration and generosity. Due to the cost of forwarding mail, if you have two addresses please give us the permanent address for all mailings. Our system does not allow us to automatically switch from winter to summer address for members. You might also look into the post office new forwarding system for a flat fee they will send all mail to you monthly. That would be a sure way of not missing any of the mailings.

Together we have a powerful voice – let's work together to keep the association working for all.
